

BRIDGE

— SUMMIT —

A large, stylized 'X' logo positioned to the right of the word 'BRIDGE'. The 'X' is composed of two intersecting diagonal bars. The left bar is blue, and the right bar is orange. The intersection of the two bars creates a gradient effect, transitioning from blue on the left to orange on the right.

LOGO CONCEPT:

The BRIDGE_{EX} Summit logo is inspired by the event's core mission: bridging the gap between academia and industry.

The bold typography reflects confidence, professionalism, and technological excellence, while the distinctive "X" serves as the visual centerpiece of the identity. More than a letter, it symbolizes the intersection where students, academia, industry, and innovation come together to create meaningful opportunities and future careers. The blue color palette represents knowledge, trust, and technology, while the vibrant orange introduces energy, innovation, and ambition. Together, they create a balanced identity that communicates both reliability and forward-thinking.

Minimal, modern, and dynamic, the logo is designed to remain versatile across digital platforms, event branding, and printed materials while reinforcing the summit's vision of connecting ideas, people, and opportunities.
